

## **On February 4, the Novopolotsk Ski Track - 2023 city sports festival was held in the Novopolotsk Park of Culture and Leisure**

February 4 - the team of the Polotsk CSMC took part in the annual sports festival "Novopolotsk ski track - 2023", which for decades has united fans of one of the most popular and mass sports.

Popularization of cross-country skiing and mass attraction of the population to a healthy lifestyle - these are the goals set annually by the organizers of the winter holiday.

Good weather, cloudless clear sky, cheerful mood of the participants - all this created the atmosphere of a sports festival!

Participants received a charge of vivacity and energy, positive emotions and good mood!
