

Atmosphere of warmth and friendship

It has become a good tradition for the Polotsk CSMS to organize bright and memorable holidays and exhibitions that unite people and give them joy.

This year, in the last month of autumn, we decided to add a little coziness and warmth to our everyday life. A cozy corner has been organized in the lobby of our company, where an exhibition of autumn photos taken by employees was held.

On November 6, Polotsk CSMS held a special event for veterans of our enterprise. On this day, a creative meeting and open day was organized for them.

The veterans were happy to exchange impressions, recall bright moments from their youth and share stories that could inspire more than one generation.

At the end of the workshop, a joint reading of favorite works dedicated to autumn, both from veterans and employees of the Polotsk CSMS, was held.

The meeting took place in a friendly and relaxed atmosphere, where everyone could communicate, remember the past, discuss pressing problems and outline joint plans for the future.
