

Unity of Nations: History That Unites

On 13 January 2024, employees of the Polotsk CSMS, members of the BELPROFMASH trade union and activists of the Belarusian Women's Union visited the Novopolotsk Museum of History and Culture. As part of the UNITY MARATHON, the exhibition "Unity of Nations - the Key to the Great Victory" is being held here. We saw stunning photographs, documents and museum exhibits from the collections of the Belarusian State Museum of the History of the Great Patriotic War and the Brest Hero Fortress Memorial Complex. These materials immersed us in the stories of war participants, frontline events and the partisan movement. The exposition became a real tribute to their courage and heroism.

We also visited the BELTA exhibition "Parallel Worlds", which presents 18 posters with unique shots from the BELTA archives and the Belarusian State Film, Photo and Sound Document Archives.
