

Polotsk CSMC took part in a rally and laying flowers dedicated to the Day of Remembrance of Soldiers-Internationalists at the memorial sign "Broken Star" in Novopolotsk

Every year on February 15, a memorable date is celebrated in the Republic of Belarus - the Day of Remembrance of the Soldiers-Internationalists.

They say time heals wounds, but without the past there is no present and there can be no future. For as long as we remember, we live. The memory of those events is immortalized not only in obelisks and monuments, it lives in our hearts.
