

The team of the Polotsk CSMC took part in the XII Republican Spartakiad among the organizations of the State Committee for Standardization

From September 1 to 3, 2023, the participants of the Spartakiad demonstrated physical fitness, team spirit and the will to win.

The competitions were held on the basis of the National Children's Educational and Health Center "Zubrenok" (NDC "Zubrenok") in the Myadel district of the Minsk region. These days the atmosphere of sports excitement, friendly communication and excellent mood reigned!

The sports festival dedicated to the Year of Peace and Creation gathered more than 500 people. 24 teams unitedly showed endurance and dexterity in swimming and darts competitions, in relay and triathlon, as well as sports and tourist all-around.

We are proud of the participation of our team and thank everyone who supported us at this important sporting event! We are glad that we were able to bring our energy and skills to this magnificent sports festival! It was not only a sporting event, but also a time to push boundaries, strengthen friendships and have fun!
