

International exhibition of technologies and innovations in industry TECHINNOPROM

International exhibition of technologies and innovations in industry TEKHINNOPROM.

The exhibition will be held from September 24 to 26 on the same site as the international specialized exhibition "CHEMISTRY. OIL AND GAS", with the international specialized exhibition "POLYMERS AND COMPOSITES", as well as the international specialized exhibition "PROFSVARKA".

The purpose of the exhibition

Promotion of innovative industrial equipment, products and technologies of domestic and foreign companies to regional and international markets; strengthening business contacts and exchange of experience.
