

Republican information and educational action "Belarus against tobacco"

Polotsk CSMC informs that from May 23 to June 12, 2022, the republican information and educational campaign "Belarus against tobacco" is being held in the Republic of Belarus.

The action is carried out with the aim of preventing diseases associated with tobacco smoking, raising public awareness of the harmful effects of tobacco consumption, leading to addiction and a number of serious diseases, forming civil society support for measures aimed at protecting the population from the consequences of tobacco consumption and exposure to tobacco smoke .

As part of the republican campaign, the Polotsk Center will hold a number of events from May 25 to June 12 aimed at refusing to use tobacco and smoking mixtures.
