

Strengthening partnerships in the construction industry

On January 16, 2025, specialists from the certification department of RUE Polotsk CSMS visited the accredited laboratory of OJSC Trust No. 16, Novopolotsk and the production shops of the branch of OJSC Trust No. 16, Novopolotsk, KPD Plant.

At a meeting with Deputy Director - Chief Engineer of KPD Plant Alexey Volodchenko, they discussed:

Interaction between enterprises;
Implementation of modern energy-saving technologies;
Lean manufacturing tools.

OJSC Trust No. 16, Novopolotsk provides a full cycle of construction of apartment buildings and has a powerful production base. Branch of OJSC Trust No. 16, Novopolotsk, KPD Plant is a leading manufacturer of concrete and reinforced concrete products in our region!
