The exhibition "My Belarus" in the Minsk International Exhibition Center continues to delight visitors!

On January 16, employees of the Polotsk CSMS visited this unique event to see the achievements of our country with their own eyes. The exhibition areas present many achievements over the years of independence thanks to the tireless work of our people, love and patriotism.

The exhibition is open daily:

On weekdays - from 12:00 to 21:00

On weekends - from 11:00 to 21:00

Don't miss the chance to visit it! The exhibition will last until January 27 inclusive.
